

The Missouri Chapter Walnut Council will hold their fall field day at Mockingbird Hill Tree Farm Saturday, October 19th, 2019 from 8:45 am - 4:00 pm. Lunch will be an old-fashion weiner roast. Coffee, juice and doughnuts available in the morning.

Topics include:

- Crop Tree Release (CTR)
- Timber Stand Improvement (TSI)
- Corrective Pruning
- Using Dendrometers
- Managing Toxic Fescue
- Fertilizing Hardwoods

In case of heavy rain we will meet inside the barn. Walking distances and conditions are minimally challenging. Morning refreshments and lunch will be served in this wonderful barn venue. Ample parking. Restrooms available.

This is a walking tour with rider assistance as needed.
